Master Ding Yi
Found her yet?
THE LEADER OF NORTH MT HENG SECT, JUNIOR DISCIPLE OF MASTER DINGXIAN AND A RENOWNED FIGURE IN THE MARTIAL ARTS REALM.

Could it be she's lost her way?
Master, we've looked everywhere and still couldn't find her!
Keep looking.
Got it!
Yi Lin shi-mei!

Yi Lin grew up on White-Cloud Nunnery and rarely left the mountain.
She must be really frightened right now.
He'll definitely kill you!
Sir, he's back so you better run away now!

You're from one of the five sects too?
There's no way I can ditch a fellow disciple of the Alliance!
Stop hiding, you cowardly rat!
.....
Excuse me!

Bloody cur only knows how to run with its tail between the legs!

He's gone and take then nun with him!
Mother fucker!
There's no way he could have gotten far with the nun!
Bastard where the fuck have you hidden?!

How dare you!
Show yourself, cur!
.....

Get the hell out!
.....
.....
Hahaha, so there you are Stand up, I've already spotted you
!

.....

and just cut us where we are!
If Tian Boguang really did see us, he wouldn't have bothered shouting
Oh, it was just a bait!
Thank goodness he is quick in his thinking!

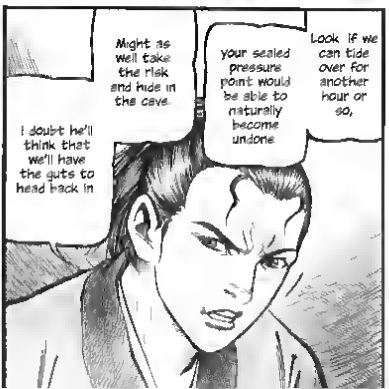
You mother-fucker. I don't believe I can't get you!
Y-you're injured?!
Well that was close! Seems like he's left

It's fine!
The biggest problem now is if that fiend turns around

He's quite heavily injured and had to bear with it all because he was trying to save me...

G-got to stop your bleeding...!
I've got the Tian Xiang Healing Concoction

The cave...

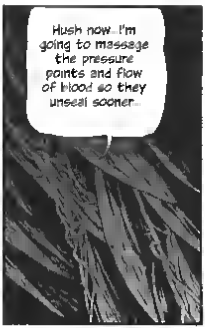


Might as well take the risk and hide in the cave.
Look. If we can tide over for another hour or so, your sealed pressure point would be able to naturally become undone
I doubt he'll think that we'll have the guts to head back in

Ok!
AND THOUGHT THAT HE MUST KNOW WHAT HE'S DOING
BUT AT MOMENT, SHE WAS ALREADY VERY IMPRESSED WITH THIS FELLOW DISCIPLE OF THE ALLIANCE
YI LIN WAS FEELING WORRIED ABOUT HEADING BACK TO THE CAVE,

I have some Tian Xiang Healing Concoction in my clothes it's perfect for healing such injuries
so please take it out and apply it

Later, when you're much more mobile it's not convenient now



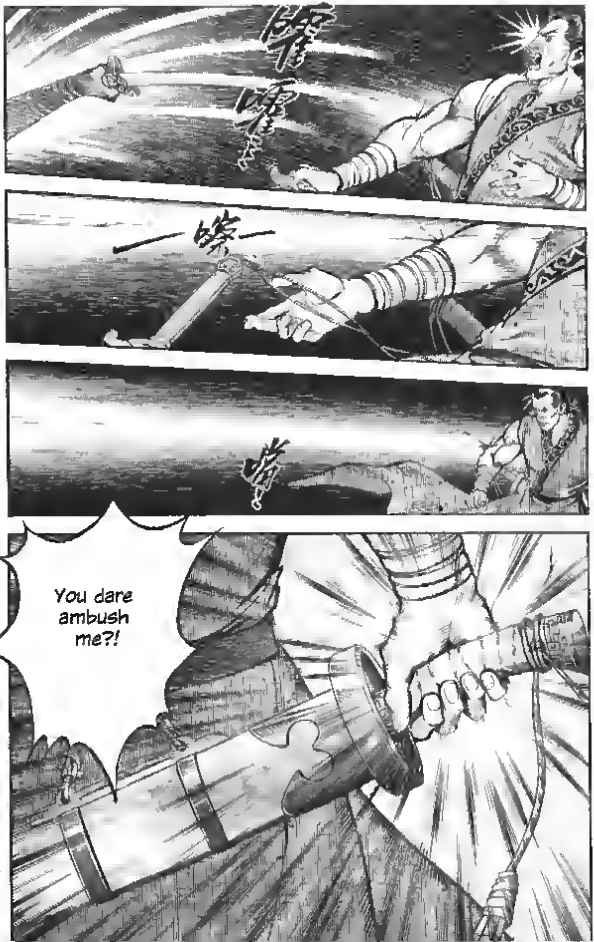
Hush now.. I'm going to massage the pressure points and flow of blood so they unseal sooner..

How can it not be convenient? You only got injured because of me, so if the wounds aren't properly tended to

That motherfucker!
Oh no, he's coming back!
Please don't come back in!
Where the hell are they hiding!

N-no
Ah!
!!

Oh no, why did the pressure point have to unseal at such a time?!
Aren't you scared being stuck in this dark cave?
Hahaha so you've been camping in here all this while, eh... you little lamb!



You dare ambush me?!

Take this!
Mt. Hua Sect Sword Style: The Ancient Tenacious Forests

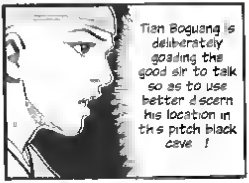
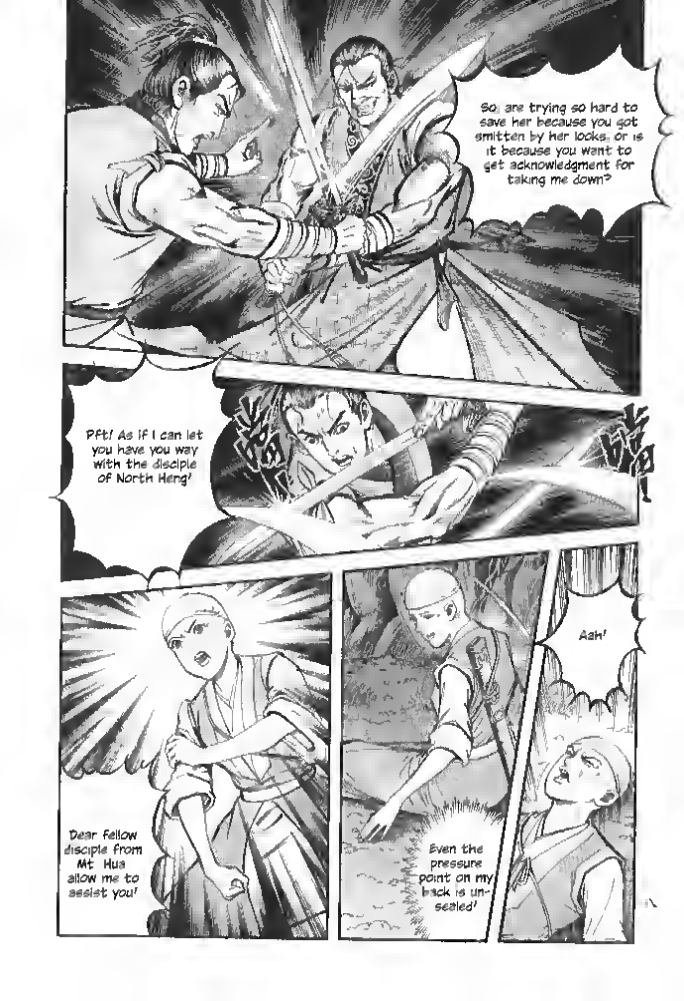
The Alliance of the Five Mountains' Sword Sects are but different branches of the same root. Be it Mt Hua or Noth Heng, we are all your enemies, fiend!
I see you are from Mt Hua Sect! Mt. Hua's school of sword-manship is no match for my skills. What's your name?

This fiend's blade technique are fast!

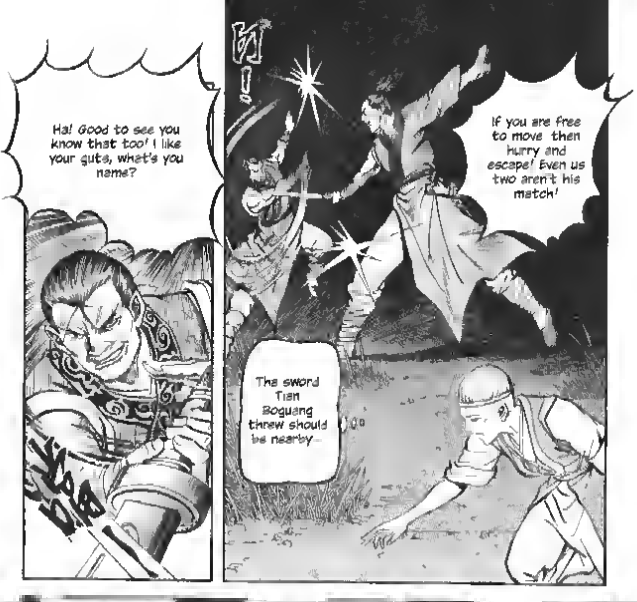


Tian Boguang is deliberately goading the good sir to talk so as to use better discern his location in this pitch black cave !

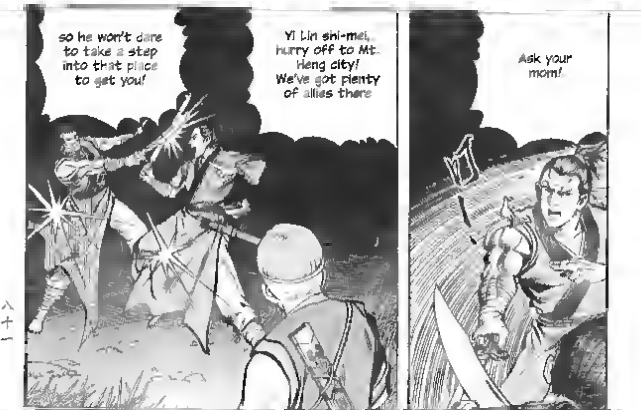
It won't matter even if your teacher that old Yue comes down here and face me personally!
I already say your schools swordsplay is no match for me!



So, are trying so hard to save her because you got smitten by her looks, or is it because you want to get acknowledgment for taking me down?
Pft! As if I can let you have you way with the disciple of North Heng!
Aah!
Even the pressure point on my back is unsealed!
Dear fellow disciple from Mt. Hua allow me to assist you!



Ha! Good to see you know that too! I like your guts, what's you name?
If you are free to move then hurry and escape! Even us two aren't his match!
The sword Tian Boguang threw should be nearby...



so he won't dare to take a step into that place to get you!
Yi Lin sni-mei, hurry off to Mt. Heng city! We've got plenty of allies there
Ask your mom!

If I leave you'll end up getting killed by him!
嗖

Found it!

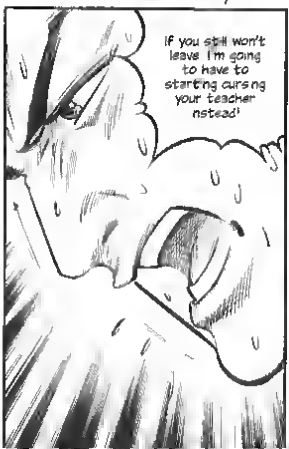
I won't! Run while I hold him off!

Excellent! Good old me gets to take on both Mt Hua and North Heng with my lone blade!

Let's take him 2 on 1!

嗖！
I won't leave!
If you still won't leave, I'll have to start insulting you instead!
Haha the little nun couldn't bear to leave me!

What kind of folly of a teacher do you have that result in such a foolish disciple like you?
God damn it... you foolish nun... are you that dumb?
啪!
啪!
啪!



If you still won't leave, I'm going to have to starting cursing your teacher instead!

My teacher is Master Ding Yi
and the foolishness is on my part alone!

no way ! can ditch you!
You only got into this mess because of me
Our teacher have always taught us that just because we are women
doesn't mean we can lose out to the men when it comes to heroism!

Without you being an eye-sore I can easily kill this brute!
stop yammering around and distracting me from using Mt Hua's School of Swordsmanship's strongest moves!
You freaking nun,
Not bad, little nun, you've got quite the guts too

I'm Lau Lau Denuo!
I'll tell my teacher it was you who saved me!
Fellow disciple from Mt Hua sect pray tell what your name is?

Brother Lau, let's escape together!

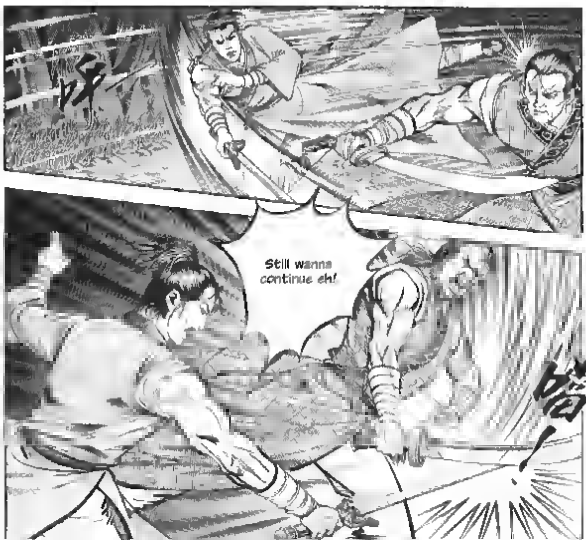
Our 2nd junior disciple is old enough to be this nun's grandfather. In the future, if she says it was him who saved her, others won't question things further.

Can't even use my skills properly!
You godforsaken nun! Your presence here is really breaking my concentration!
铛!
Bloody hell, does this old man really have to fall to freaking Tian Boguang's blade?!
Why the heck are you still not leaving?!
铛!
嗖

Fine! Fine! So be it!
Farewell, my brother may we meet again!
Hence why he couldn't fight his best?
My martial arts skills are indeed quite low... am I really in the way?

Freaking nuns, man, every time I see a nun I'm bound to lose a wager! They're always bringing me bad luck!
If you get it already don't enough with the blabbering! Scram as far away as you can!
Phew
Uuuh...

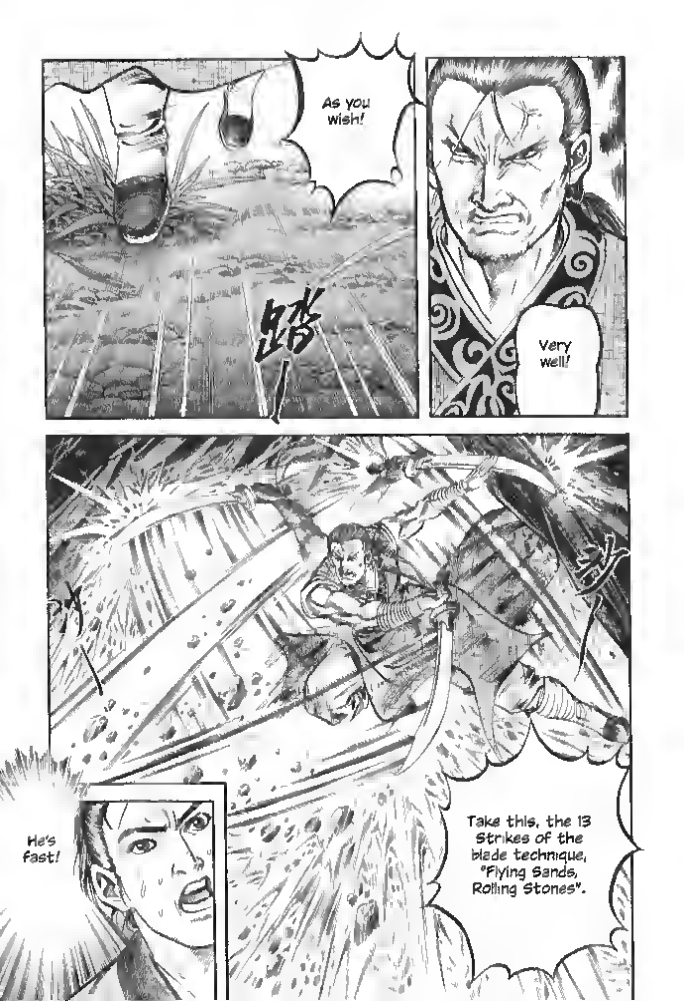
噹!



呀!
Still wanna continue eh!
噹!

You shall not pass!
Lau, I've been thinking that you're a good man, hence why I've held back
But if you still won't budge, you're seriously asking for death!

I'll never let you have your way even if my body is in shambles.
Fiend, unless you cut me down for good



As you wish!
Very well!
Take this, the 13 Strikes of the blade technique, "Flying Sands, Rolling Stones".
He's fast!

TIAN BOGUANG UNLEASHED HIS REAL ABILITY AS THE BLADE RUSHED TOWARDS LINGHU CHONG AT LIGHTNING SPEED!
RISKING HIS LIFE TO SAVE YI LIN, IS THIS REALLY IT FOR LINGHU CHONG...?!

KILL
AFTER RUNNING OUT OF THE CAVE, YI LIN GAVE A QUICK GLANCE TOWARDS THE PITCH BLACK CAVERN AS SOUNDS OF CLASHING BLADES ECHOES THROUGH THE SURROUNDING.
HER HEART WAS FILLED WITH BITTERNESS AND PAIN AS SHE VAGUELY SENSED THAT SHE MIGHT NEVER GET TO MEET HIM EVER AGAIN.
He put his life on the line to save mine and I don't even know what he looks like ...!

Brother Lau, I'm going to get my teacher for help!
You got to hang in there!
You mustn't die!

AT THE SAME TIME, IN A NOT SO FAR OFF DISTANCE, A SINGLE HORSE WAS SWIFTLY RACING THROUGH THE MOUNTAIN ROAD.
